

Wysteria Gate

at The Gates of St. John

Come and “Discover the True Sense of Community.” With exceptional neighborhoods all over the Greater Chicagoland and Northwestern Indiana areas, there is bound to be one that meets all of your families needs. From the exclusive custom homes to the maintenance-free town homes and villa’s, Phillippe Builders strives to find a place for everyone to call home.

Wysteria Gate, a custom home series offering oversized lots and premium lots with water views and accessibility. Protective covenants mandate minimal square footage for ranch homes to be 2,000, and 2,400 for two-story styles.

We know the perfect home means different things to different people. That’s why we’ve built our reputation on personal service. Every step of the way, we put our expertise and experience to work to bring your dream home to life.

It all begins at the floor plan stage, when we sit down with you to customize the features that best suit your lifestyle. We give close personal attention to our clients and build each house to suit their needs. Our goal is complete customer satisfaction.

We are proud to be associated with the finest architects, engineers, and construction professionals in helping to create exciting new communities for you to live and grow. Visit us today on the web at www.phillippebuilders.com.
